DETAILED ACTION

This Office Action is in response to the After Final Amendment filed on June 17, 2004.

Status of Claims

Claim 10 is pending. Claims 1-9 have been cancelled.

REASONS FOR ALLOWANCE

Applicant's arguments presented in the communication of June 17, 2004 have been considered in view of amended claim 10 and cancelled claims 1-9 and, subsequent to an updated search, are persuasive. This application is therefore allowed for reasons deemed to be of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Cited Prior Art

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Hanzawa et al. (U.S. Patent No. 5,953,088) teaches a TFT-LCD arranged in an array with signal and data lines but in combination with relevant prior art or record fails to teach or suggest a shield member connected to a pixel electrode that extends along an entirety of a periphery of a pixel.
